ISRAEL-HAMAS WAR

Lecture/Discussion on:
“Current Conflict between Israel and Hamas
With Rabbi Kenneth Blatt

On October 7th, 2023, the seemingly endless cycle of violence in the Middle East took a horrific turn of events. The Palestinian militant group, Hamas, launched a deadly assault on Israel. Hundreds of Hamas gunmen infiltrated the border between Israel and the Gaza Strip. The conflict has now continued for over a month as both sides cope with the new reality of death and destruction. **Kenneth Blatt** will present a lecture/discussion on what the impact of the current conflict will be on the state of Israel, the future of Gaza and the possibility of a resolution to the endless cycle of conflict between Israel and Palestinians.

Chanukah Celebration with Rabbi Ami
Thursday, December 7th at 5:30-GR

Also known as the “Festival of Lights,” Hanukkah is an eight-day Jewish holiday celebrating the rededication of the Temple in Jerusalem in the Second Century B.C. Hanukkah is the Hebrew word for “dedication.”

The history of the holiday is tied to the time when Israel was struggling for existence. It is believed that after a successful revolt against a tyrannical monarch, the victorious Jewish community could find very little pure olive oil to light the Menorah, only enough for one day. However, the oil lasted for eight days, long enough to purify more oil!

Jewish people light a candle on each of the eight evenings in remembrance of God’s provision. They also play games, exchange gifts, have family dinners and attend plays and concerts at synagogues and schools.
