Marilynn Sassi Presents:
Those Necessary Unmentionables:
300 Years Of Ladies' Underwear
Wednesday, May 20th
1:30 am

This presentation is based on what was considered the ideal women's figure as it constantly evolved over a time frame of 1680 - 1900. What was considered the perfect body in 1680 was just the opposite by the end of the 19th century. While fashion certainly played a key role, it was the undergarments that shaped and supported the entire silhouette.
