A local volunteer recognition organization is holding its first Volunteer of the Year pageant at the monthly meeting of Your Organization, and five qualified and motivated candidates are in the running for the coveted SIDI (Sure - I'll Do It) Award.

But one of the nominees won't be around to hear the results - due to that nominee's sudden and unplanned demise. It'll be the audience's job to unmask the killer and solve the case... if they can find someone to volunteer for interrogation duty.
